Minutes of previous meeting were read Moved by Margaret to accept, 2nd by Sara MC

Treasurer's report

Mini conference

Registration	\$2665	
Expenses	\$4387.94	Food alone was \$2300

Coverage by State Grant	\$2500	
-------------------------	--------	--

Account balance	\$10,802.93	
-----------------	-------------	--

Motion by Danny to accept treasurer's report, 2nd by Sara MC

Steven covered the executive council meeting in Jan 09. Legislatively the only thing impacting was the Seatbelt bill to make not wearing a seatbelt a primary offense. Did not pass.

The EMS memorial will be May 17 at 099 hrs in Pierre

There are still plans for the EMS Youth Camp for 13 – 18 yr olds. More information to come as we receive it.

The State EMT conference netted \$28,000 – 10% will go back to the hosting district. The method of pre-ordering conference t-shirts seemed very successful and will probably continue to 2009 conference in Sioux Falls

2009 Conference in Sioux Falls – looking at on-line registration

Kurt is working on a state wide EMT survey similar to what was done at the Dist VI mini conference in 2008

Bids for the State conference in 2014 were taken. Dist VI did not bid as we are hosting 2013 (and 2010).

By-Law changes for voting on at Conference – to allow First Responders to be SDEMTA members

July 25 is State Officers meeting in Pierre

For the District – the 24 hr refresher done with RC Fire was full and went well. The CPR dates were change and there were 2 sessions hosted at the Rapid City YMCA.
